LEARNING TOGETHER

a unifying vision for Akron's future

Safer together.

A comprehensive approach to public safety that builds trust, embraces proactive and effective models of policing, and strategically tackles upstream causes of violence.

Working together.

A plan for strengthening downtown and neighborhood business districts, as well as supporting equitable economic opportunities and removing barriers that keep people from working.

Living together.

Decisive action for addressing decades-long health and housing crises and supporting environmentally sustainable, safe, and equitable development throughout our city.

Learning together.

A collaborative approach for building dynamic learning opportunities, from our youngest learners through workforce readiness and redevelopment programs, that support economies of the future.
